

Installation and Operating Instructions for MODEL 367 VOYAGE™ OCEAN LINER ELECTRONIC HORN

This horn is for OFF THE ROAD AND SHOW USE

Your purchase of a WOLO horn is a perfect choice to compliment your vehicle. Our horns are manufactured with the finest of materials. Each horn is bench tested before it is packaged to assure workmanship and quality, so you receive years of reliable service. **IMPORTANT:** THIS HORN SHOULD NOT BE USED AS A REPLACEMENT FOR VEHICLE'S ORIGINAL EQUIPMENT HORN. MODEL 367 IS NOT TO BE USED AS A SIGNALING OR WARNING DEVICE. MODEL 367 VOYAGE™ OCEAN LINER HORN IS FOR OFF THE ROAD AND SHOW USE.

MOUNTING CONTROL KEYBOARD

1. Select a mounting location that will not interfere with air bags or drivers vision.
2. Using the double-sided foam adhesive tape provided, mount the keyboard to selected location. Make sure that mounting surface is free from dust, wax etc. A clean surface is necessary so that double-sided tape will hold properly. **IMPORTANT:** ADHESIVE HOLDING POWER BECOMES MAXIMUM IN ABOUT 24 HOURS. LIMIT MOVING OR PUTTING PRESSURE ONTO THE KEYBOARD UNTIL THEN.

MOUNTING SPEAKER

3. Select a convenient location in the engine compartment that is dry and safe from the engines exhaust manifold heat. Always face the speaker in a downward position. This will help prevent water from entering into the speaker. Using the speakers mounting bracket as a template, mark the four (4) hole locations on mounting surface and drill using a 1/8 inch drill bit. Secure speaker with hardware provided. Make sure that the speaker's opening is not blocked by any components, which could reduce its loudness.

WIRING Fig. A

4. **TWIN BLACK:** is connected to the speaker in the engine compartment. Route wires through firewall to speaker. Connect either wire to one of the speaker wires. Then connect remaining wire to other speaker wire.
5. **RED WIRE:** is connected to the fuse-block or a under dash wire that has power (+)12 volts when the ignition is on. **IMPORTANT:** To protect your horn and vehicle, always use the in-line fuse provided and wire as shown.
6. **SINGLE BLACK WIRE:** is grounded. Secure the wire under a bolt in the dashboard area, and make sure that the METAL surface around the bolt is clean of rust and paint to make a good electrical connection.

TESTING

7. Make sure all wires are secured and connections are properly taped.
8. Put the vehicle's ignition on to power the VOYAGE™ OCEAN LINER Horn during testing.
9. Press and hold each of the three (3) buttons on the keyboard and VOYAGE™ will sound either one of the three ocean liner horns.

Left Button: Two ocean liners sounding their horns at each other

Middle & Right Button: Each button sounds one ocean liner horn sound.

If you need help installing your new Wolo horn, our technicians are available to answer your questions, Monday thru Friday, from 9 AM to 4 PM EST at 1-888-550-4676.

Warranty

Wolo Manufacturing Corporation ("Wolo") warranties to the original purchaser, for three months from the date of purchase, that this product is free from defects in workmanship and materials. If there is such a proven defect, Wolo, at its option, will either repair or replace the item free of charge, if it is returned to Wolo within three months from the date of purchase together with proof of purchase as described below. Wolo reserves the right to inspect any defect prior to settling any warranty claim by repair or replacement. This warranty is limited as above provided and Wolo will not be responsible for fire or other casualty or accident, due to neglect, abuse, abnormal use, modifications, faulty installation of this product, or natural causes.

MERCHANTABILITY AND OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO A TERM OF THREE (3) MONTHS. UNDER NO CIRCUMSTANCES SHALL WOLO BE LIABLE TO PURCHASER OR ANY OTHER PERSON FOR ANY SPECIAL OR CONSEQUENTIAL DAMAGES, WHETHER ARISING OUT OF BREACH OF WARRANTY OR OTHERWISE.

To obtain warranty service, return the product prepaid, and include the original bill of sale showing the date of purchase. Provide with the return a brief description of the problem. Also, include with the return a check or money order in the amount of \$10.00 to cover return shipping. Mail to:
